3 Bedroom, 1.00 Bathroom, 886 sqft

Residential on 0.11 Acres

Berkeley, Denver, CO

Welcome to this beautifully updated 3-bedroom, 1-bath bungalow that seamlessly blends timeless 1920s–30s character with thoughtful modern upgrades. Nestled on the corner of a quiet, tree-lined street, this home boasts charming curb appeal, a mature fruit tree in the front yard, and vibrant, native landscaping, including a thriving pollinator garden.

Step onto the inviting custom front porch and into a warm, light-filled interior featuring original hardwood floors, large windows, and period-style details that honor the home's historic roots. The spacious living area flows into a fully renovated eat-in kitchen, complete with granite countertops, stainless steel appliances, ample cabinet space, and stylish finishes that make it perfect for both everyday cooking and entertaining.

Three comfortable bedrooms on the main floor offer flexible living options. The updated bathroom showcases charming antique finishes and design details in keeping with the home's original era. Custom-milled cedar siding (replaced five years ago) has been recently restained and maintained, preserving the home's historic character while ensuring long-term durability. A mudroom off the attached garage offers a convenient transition space and leads to a beautifully landscaped backyard.

Out back, enjoy a large patio under a charming pergola, surrounded by waterwise native landscaping and flowering shrubs, plus a dedicated shed for tools, hobbies, and storage. Whether you're hosting gatherings, gardening, or sipping coffee in solitude, this yard is a peaceful retreat.

Downstairs, a refreshed basement offers even more potential, with plenty of space to create a second living area, guest quarters, or even add a second bathroom, bringing versatility and value.

Move-in ready and full of character, this gem is ideally located near parks, schools, shops, and local amenities. Donâ€™t miss the opportunity to own this one-of-a-kind home that checks all the boxes!
